## Quarterly Newsletter

Fall 2013

I would like to open this newsletter with **Genesis 12:1-5**. In this story, God directed Abraham to leave his home land, family, close friends, what was comfortable and normal for him, and follow God into a new land.

God spoke to Abraham and told him to go to Canaan. God didn't give Abraham all the details, He didn't tell him everything that would happen, or where his provision would come from; He simply said to go. Abraham then had a choice to make; he could have stayed in Haran, a location he had grown comfortable in, but he chose to follow God into this new place. **James 2:23** tells us that “Abraham believed God and it was credited to him as righteousness”. The result of Abraham following God was that he became the

father of many nations. Abraham's faith was not perfect, but he was able to follow God's leading at critical moments when he didn't have all the information.

Serving God is a series of new seasons, adventures, and transitions: times when we will have to choose to follow God even when we don't have all the information. No matter how great one season of ministry may be, or how comfortable we may become, God is always calling us to press on **Phil 3:12-14**.

This is how we overcome our fears, how our character is developed, how our faith in God grows, and how the great commission is fulfilled. Each of us must choose whether we will obey when God says “Go”.

### Relocation to El Salvador Summer 2014

As many of you know, I served for 16 years as a youth and young adult pastor, and during the last 6 years of that season, we also led Crossfire International. As we wrote in the spring newsletter, the Lord has called us to go full time into Crossfire International. We knew that part of serving full time in Crossfire International would mean traveling internationally more frequently, for extended periods of time. During the transitioning process, we began to feel God calling us to relocate to El Salvador.

Before we left for our South East Asia trip in April and May, we decided to pray, fast, and commit this decision to the Lord. After four months of waiting on the Lord, and receiving multiple confirmations, we decided to take the step to relocate to El Salvador. During this time we also discovered that Gina is pregnant.

We will still be missionaries to the world but will base out of El Salvador for a few years. By living in El Salvador, we will be in close proximity to all of the Central and South American nations, as well as Caribbean Islands. We really feel the Lord calling us to live near San Salvador for about 3 years, and after this time we may base out of the United States again, or another part of the world. I'm sure God will make those details clear when the time comes.

We believe that God wants to use Crossfire International to play a part in igniting a move of God in this generation. Some of our objectives will include: expanding our ongoing Crossfire evangelistic crusades in Latin American nations, establishing Crossfire into new churches across Central America, training more cell leaders and setting up zone leaders, as well as expanding Crossfire into the nations of South America and the Caribbean.

Solomon Gonzales, the national director of Crossfire El Salvador, and Pastor Jose Pop Menjivar, our national

Cell Group Training in Chimaltinango, Guatemala

director in Guatemala, will be helping us throughout the process of relocation.

This September and October of 2013 we will travel to El Salvador, Guatemala, and Belize for ministry and for research on making this move. We plan to relocate to El Salvador July or August of 2014. We will also have a going away party and time of prayer, May of 2014, and will let all of you know the day, time, and location of this event.

This September and October, we will travel to El Salvador, Guatemala,

and Belize. The first part of the trip, we will be doing extensive research on relocating to El Salvador. We will then travel to Chimaltinango, Guatemala, and will lead our annual Crossfire Guatemala evangelistic crusades, train leaders, and implement Crossfire in new local churches. After we finish our time in Guatemala, we plan to drive to Belize to meet with a group of pastors, train leaders, set up cell groups and implement Crossfire in these new churches.

We will then travel back to El Salvador, lead evangelistic crusades in Soya Pango, train pastors, and leaders, visit cell groups, and preach in the local churches.

Supporting Crossfire International helps us reach out to thousands of youth and young adults around the world with the message of salvation through Jesus Christ and helps us establish Crossfire within churches and ministries locally, nationally, and internationally. The support allows us to lead evangelistic and apostolic missions trips, establish camps, and translate and print our lessons and other materials. Finally, the support also helps our Crossfire cell groups in other nations expand feeding and clothing outreaches as well as ministry to human trafficking victims. If you feel led to give specifically to the upcoming Crossfire International Israel, Jordan, and United Arab Emirates mission, you can visit our website and use the one time giving link or forward support to the p.o. box below.

Crossfire International is a 501c3 non-profit ministry, led by Pastor Joe Dewhurst and a dedicated board of directors. All donations are tax deductible.
