Crossfire International Mission to Peru and Chile from El Salvador

I would like to start this newsletter with a few testimonies from our mission trip to Peru and Chile. Our National Director of Crossfire El Salvador Pastor Salomon Gonzales, as well as Edwin Noel, a young adult Crossfire leader from the church, Iglesia Aposento, in Soyapango, accompanied my family and I on this mission. Praise God, we saw a powerful move of the Holy Spirit in both countries! For the first eight days of our mission, we traveled to Lima, Peru and we worked with pastors and leaders from churches in the areas of Callao and Miraflores (cities that are along the Pacific coast line of Peru). We continued on from Peru to Santiago Chile for the final eight days of our mission where we worked with many different pastors and leaders who traveled to Santiago from across Chile

Our team presented Crossfire to these pastors and leaders in both Peru and Chile, then we implemented Crossfire in their churches assisting them in choosing Crossfire cell group leaders, assistants, locations, and times when these new cell groups will meet.

We also directed and preached in the Crossfire evangelistic crusades in both countries. The Crossfire Peru crusade took place in a park located close to several of the churches in the central part of Callao. In Chile, we led two Crossfire evangelistic crusades in Santiago. The first crusade took place indoors in the hosting church, and the second crusade was an outside crusade at a local park. In both countries we led teams of pastors and Crossfire leaders in evangelism on the streets, and door to door 3 hours before the crusades began.

One of our most exiting testimonies is that in Peru, when our teams went out to evangelize, every person we shared Christ with either accepted Jesus for the first time or rededicated their lives to Christ! In Chile we led several teams into neighborhoods and to a skate park to evangelize where many more youth and young adults were saved and were invited by the leaders to their churches and to the new

Crossfire cell groups.

The crusades were extremely powerful with several hundred attending each of the three crusades. The ministry times were very powerful with many people accepting Christ and many that were filled with the Holy Spirit. We also visited several of the key churches to preach and minister. At these churches we again saw powerful times of ministry with people being saved, filled with the Holy Spirit and delivered by the power of God!

We saw over 600 people accept Christ during the evangelism, crusades, and ministry in the churches in Peru and Chile. Since we have returned, we are receiving great testimonies from the new Crossfire cell groups in both countries. And this month, Crossfire Peru just finished their first Crossfire camp.

Crossfire El Salvador and Central America Crusades, Mission Trips, and Updates

The Lord continues to move and continues to open new doors for Crossfire in El Salvador, as well as other countries of Central America. This month marks two years since we have lived in El Salvador directing Crossfire International from here. In this short time, Crossfire has been implemented in churches

across 9 of the 14 states of El Salvador. The cell groups are expanding, bringing many new young people to Christ and into the churches. More churches are also

starting Crossfire worship, drama, and dance teams. The Crossfire camp more than doubled in size from last year with 300 in attendance this year. The monthly Crossfire leaders meeting continues to bring Crossfire representatives together from churches across El Salvador, for times of prayer, testimonies, discipleship, and planning of national events. This year's beach outreach (Patchanga a las Palmeras) brought together 520 youth and young adults from 9 states across El Salvador with close to 250 accepting Christ.

We just finished the first fall Crossfire El Salvador crusade this past week in San Rafael Cedros and are preparing for upcoming crusades in San Miguel, Cohutepeque, Apopa, as well as the Crossfire Crusades we will lead during our upcoming mission trip to Choluteca, Honduras and Managua Nicaragua in September. We very excited that Crossfire expanded into Honduras, Nicaragua, in 2015 this year in Panama and next week we will officially start Crossfire into Costa Rica!
