“Changing this Generation, one Nation at a Time”

Our visit to the United States Summer 2017 and return to El Salvador (2014-2020)

It seems like we just got off the plane and, already, we are on our way back to El Salvador! We had a great summer preaching, ministering and sharing testimonies in partnering churches, visiting groups of pastors and leaders, and meeting with so many great friends.

Although we were extremely busy laying out our vision and plans for the next few years, fundraising, meeting with our board of directors and Crossfire leaders, we still found time for our family to enjoy the summer and we could not get enough of the American food we miss so much, especially Chipotle!

I wanted to begin the newsletter by thanking every one of you for your words of encouragement, for your prayers, your support, and for standing with us as we seek to follow the leading of the Holy Spirit in this ministry. It means a lot to my

family and I to know that we are not in this alone, but that we have so many people standing together with us in the work of Crossfire International.

Visiting partnering churches in the United States, preaching and sharing testimonies

For those of you who may not know, we are extending our time in El Salvador for an additional three years. We will continue to direct Crossfire International worldwide from El Salvador during this time, with a special focus on developing a strong base for Crossfire in El Salvador, and in several other Central and South American nations.

During these next three years we plan to train more pastors and leaders, implement Crossfire in new churches, and start new cell groups in new locations across El Salvador. We will continue to lead teams of youth and young adults in

evangelism on the streets and from door to door. We also plan to develop, grow, and expand the Crossfire camps and evangelistic crusades. We will continue to recruit new churches to be a part of the Crossfire El Salvador camp, as well as start new camps and crusades in new areas of El Salvador, Honduras, Panama, Nicaragua, Peru, and Chile as well as other Latin American countries. We plan to raise up Crossfire zone leaders across El Salvador, who can begin to carry more administrative responsibilities, lead regional leaders meetings, and plan and lead regional crusades.

We plan to continue to invite Crossfire young adult leaders from different parts of the world to El Salvador for camps, crusades, and leadership training. We will also continue to lead mission teams of Crossfire leaders from El Salvador to other nations around the world to train new leaders, implement Crossfire in new churches, assist with evangelism, camps, crusades, and minister in churches.

We have just finished our final Crossfire International, "Where are you?" camp of the year and are now beginning the Crossfire evangelistic crusades. Out of the twenty five countries where Crossfire cell groups are active in churches, this year we have Crossfire Camps and Crusades in El Salvador, Honduras, Nicaragua, Peru, Philippines, Myanmar, Cambodia, Laos, Kenya, Uganda, Tanzania, and 3 regional camps across Thailand. The Crossfire camps reached out to thousands of youth and young adults this year. We have received testimonies from our leaders around the world of hundreds of youth and young adults who have accepted Christ, been set free by the power of God, and filled with the Holy Spirit.

This month we begin the annual Crossfire evangelistic crusades in El Salvador. These crusades will bring together Crossfire drama, dance, and worship teams from across the country, and will reach out to thousands of youth and young adults across El Salvador. Three hours before each crusade, we will train teams of youth and young adult Crossfire leaders in evangelism.

We will then lead these teams out into the neighborhoods, on the streets, and door to door, sharing Christ with people and praying with people to accept Christ as their Savior. Many of these areas are violent gang controlled parts of El Salvador.

We will be leading Crossfire Crusades in Santa Ana on Saturday, September 16th, in Lourdes on Saturday, September 30th, in Santa Cruz Michappa on Saturday, October

21st, and in Sensutepeque on Saturday, October 28th.

In November, we will again lead a mission team from El Salvador to Tegucigalpa, Honduras and also to Leon and Masai, Nicaragua. During these mission trips we will lead Crossfire evangelistic crusades, direct evangelism, preach and minister in local churches, train new leaders, start new cell groups and implement Crossfire in new churches in these countries.

Please pray for protection, favor, for a powerful anointing on the worship, dramas, dances, sermons and most importantly for many youth and young adults to accept Christ as their Savior!
