Quarterly News Letter

I would like to begin this newsletter

The Bible tells us that we are to, “live by faith,” [Rom.1:17](#). If we are

going to do anything great for God, then it will require us to not only take steps of faith and walk in obedience to God, but to daily **live** by faith. God wants every one of us to learn to trust him every step of the way.

During this season we are watching God expand Crossfire International in new ways like never before, but with this expansion God is asking us to trust him in ways we never have before. This can seem scary at times. I’m sure the disciple Peter was scarred when Jesus asked

him to step out of the boat. Even Christ himself asked that his cup be taken away from him, although he persevered and the result was obviously worth it.

The reward for facing our fears and trusting God outweighs the challenges we face along the way. The result that we would have if we choose to remain living comfortably doesn’t compare with what we will see if we trust God and “live by faith”.

Crossfire Philippines Camp

Crossfire Philippines camp cell leader training

May 2012

Winter 2012–2013

This year’s Crossfire Philippines camp took place on the island of Mindanao this past May 2012. Our Crossfire Philippines national director, Larachel, brought together youth and young adults from about 30 churches that are a part of Crossfire Philippines. Around 150 youth and young adults attended this year’s camp, and 65 of them accepted Christ. In addition, 15 leaders were trained, who started 15 additional Crossfire cell groups in new churches.

Crossfire Philippines continues to expand into new churches across the Southern Islands of Mindanao, Visayas, and Camigan. Please pray for protection for the churches and the Crossfire cell groups in this heavily Al

Qaeda populated area. Also, pray for youth to accept Christ weekly, more Crossfire leaders to be trained in the churches, and for the evangelistic Crossfire feeding outreaches.

Crossfire Thailand Regional Camps 2012

Due to the growth of Crossfire Thailand, this year we expanded to two regional camps. One took place in the eastern part of Thailand in the province of Chonburi, and the other in the southern part, in the city of Karen (province of Phetchaburi).

The Southern camp took place first, from April 12th to the 15th in a tribal village among the Pakeryor people. A team of 14 Crossfire Thailand leaders (lead by our national director, Pastor Apichat) drove 460 kilometers from the Crossfire Thailand headquarters in Rayong, to set up and lead this Crossfire Southern camp. There were around 300 young people from the 10 Pa-la-u Churches that attended. Pastor Apichat and his team also trained pastors and leaders and set up Crossfire in several of these churches.

The East camp took place in the province of Chonburi from April 25th to April 27th. There were close to 100 youth from 15 churches in the Rayong area that attended this camp.

During the first night of this camp, Pastor Joe preached live

though Skype, projected onto a screen. During the day sessions, Pastor Apichat and his team trained the youth how to evangelize and how to keep the fire of God burning. Also, every youth that was not yet involved were assigned into a Crossfire cell group and a home church.

Between both camps over 150 youth accepted Christ.

In the past few years, Crossfire Thailand has exploded! Crossfire is now active in around 50 churches. The Crossfire cell groups are meeting in homes, churches and even now in schools all across the southern and eastern parts of Thailand. Crossfire Thailand has also created its own music label, is recording albums, and is working with professional Christian musicians. In addition, the Crossfire Thailand website has had over 360,000 hits.

Crossfire International

El Salvador/Guatemala/Honduras Mission Oct 9th through 19th 2012

Pastor Joe and one of his assistants, Lewis Jones (from the Crossfire at Judah Christian Community Church), will travel to Central America this fall. During the first part of this mission, Pastor Joe will be Preaching in Spanish at two open air, Crossfire evangelistic crusades. After these crusades, Pastor Solomon Gonzales, our national director, will assemble a group of pastors and several leaders for our Crossfire presentation and training.

We will then travel north, with Pastor Solomon and a team, to Honduras and Guatemala where we will meet with several pastors who are interested in Crossfire. This will be our first time traveling to both Honduras and Guatemala, and we are very excited about this opportunity to expand the ministry with these new churches and pastors.

Please pray for young people to accept Christ, safety and protection, finances raised for the trip, the Crossfire training, and for favor.

C.F.I. Partnership Opportunities

Supporting Crossfire International helps us reach out to thousands of youth and young adults around the world with the message of salvation through Jesus Christ and helps us establish Crossfire within churches and ministries locally, nationally, and internationally. The support allows us to lead evangelistic and apostolic missions trips, establish camps, and translate and print our lessons and other materials. It also helps us to rent needed office space in Africa, as well as have full time pastors and staff working for Crossfire in the churches around the world. Finally, the support also helps our Crossfire cell groups in other nations expand feeding and clothing outreaches as well as ministry to human trafficking victims.

Crossfire International is a 501c3 non-profit ministry, and all donations are tax deductible.
