Crossfire International mission to Honduras and Nicaragua 2017

Merry Christmas and Happy new year! We recently finished our last mission trip of the year where we led a team of Crossfire leaders from El Salvador to Honduras and Nicaragua. On our first night we preached and ministered in a local church, then we trained new Crossfire leaders. The next day we led a Crossfire evangelistic crusade in Tegucigalpa. Before the crusade began we led teams of young adults on the streets in evangelism.

The area where we went to evangelize is an M.S. 13 gang controlled area known as "El Hoyo" Spanish for "The Hole". Our host pastor Pastor Jose Aguilar shared with us that the area is so dangerous that even the police will not enter. When we arrived it was at night and there were two gang members with guns monitoring who enters. We shared Christ with them and they both got saved!

They then let us enter and we went down to the center where there

were about 8 to 10 more gang members all with guns, they were smoking weed, drinking alcohol, and playing poker. We began to share Christ with them and at first some acted like they weren't listening but as we continued to preach the Holy Spirit began to work and change their hearts, one by one they dropped their

weed, cigarettes, and alcohol and sat in a line and listened. At the end when we gave an opportunity for them to respond every one of them accepted Christ! We went on through the streets and continued to lead other groups of gangsters to Christ.

Towards the end of our evangelism the M.S. 13 gang leader of this area wanted to talk to me, and what he said to me marked me. He told me that I was the first pastor who was bold enough enter this area, he told us that theres thousands of pastors and churches in Tegucigalpa, and he asked why they won't come down to where they are, where the greatest need is. He told me he had great respect for me and our team and because we came and reach out to them that they wanted to hear

everything we had to say. I then preached the gospel and shared Christ with him and the gangsters with him and they all accepted Christ. Many of them came up and attended the crusade and several more were saved.

We then went on to Nicaragua where there are now restrictions against Pastors and Missionaries entering the country. We were held for several hours at the border as they interrogated us but finally they let us in. The crusade this year took place in Leon, Nicaragua a tourist city near the Pacific Ocean. During our second day there we implemented Crossfire in new churches and trained new leaders in the morning and in the evening we led the Crossfire evangelistic crusade where we saw close to 1000 in attendance. The crusade was extremely powerful with hundreds responding to the salvation alter call and ministry time.

Crossfire El Salvador update and testimonies 2017!

Crossfire El Salvador "Donde estas?" 2017 Camp in Oloquiltla, El Salvador

We just finished another incredible year of ministry here in El Salvador and around the world where we again saw God move in amazing ways. We began this year with our Crossfire El Salvador camp in January that brought together hundreds of youth and young adults from 10 states across El Salvador, as well as Crossfire young adult leaders who traveled to El Salvador from Honduras, Nicaragua, Panama and Thailand. God moved powerfully in this camp with hundreds of youth and young adults accepting Christ, being set free by the power of God, filled with the Holy Spirit, and many were trained to be leaders.

In the spring we also completed our goal of implementing Crossfire in new churches and starting new cell groups in each of the 14 states of El Salvador. We also again led our annual Crossfire El

Salvador beach outreach where we organized soccer tournaments, water games, outdoor music, dramas, and dance teams and saw about 300 more youth and young adults come to know Christ.

Monthly we led the Crossfire El Salvador leaders meetings which bring together Crossfire leaders from across the country for prayer, planning and

ongoing leadership training. We regularly visited new cell groups and trained our first zone leaders to visit cell groups. We also led street evangelism before cell groups and crusades in parks, neighborhoods and door to door. We regularly saw new youth and young adults accept Christ through the evangelism and many are now active in the churches.

In the summer we returned to the U.S. to share testimonies, speak in partnering churches, raise support, and prepare to extend our time here in El Salvador.

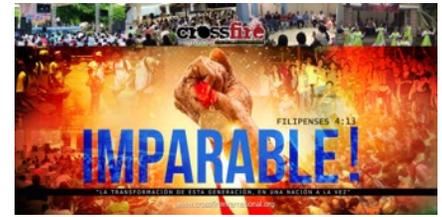

Crossfire El Salvador evangelistic crusades in Sensutepeque and Santa Cruz Michappa

This fall we led Crossfire evangelistic crusades across El Salvador in Santa Ana, Lourdes, Santa Cruz Michappa and Sensutepeque. Before every crusade we led teams on the streets in evangelism where we saw many people come to know Christ including gang members, and several new cell groups were started from the youth and young adults who were saved on the streets. The Crossfire drama, dance, and worship teams were extremely effective, the preaching was powerful and hundreds more accepted Christ through the alter calls. We are seeing the momentum increase and we thank each of you for your faithful prayers and support! 2017 was an incredible year and we are excited to see all that God will do in 2018!
