## Crossfire El Salvador “Born to Conquer!” camp 2019

Greetings from El Salvador! We have been extremely busy down here with the ministry and with our three amazing daughters Ashley, Sara, and baby Elizabeth. Ashley is now preparing to enter second grade, Sara is ready to enter kinder-garden, and little Baby Elizabeth is keeping us up at night!

We recently finished this years Crossfire El Salvador “Nacido para Conquistar”(Born to conquer) camp and leadership training. This year we had the largest camp here yet in El Salvador with 409 youth and young adults from all across El Salvador, WE brought in many young people from M.S. 13 gang controlled areas

including active M.S. 13 gang members. We also had teams of Crossfire young adult leaders come to

El Salvador from Nicaragua, Honduras, and the United States. On our second night we streamed live from the Crossfire El Salvador camp to the morning service of one of the Crossfire Thailand camps that was going on at the same time on the other side of the world.

**Worship and activities at the Crossfire El Salvador “Born to Conquer” camp**

Our worship this year was led by two nationally known worship leaders here in El Salvador Pablo Rosales/ Radicales 51 and David Lizama. I preached several strong messages in the “Born to Conquer” series and after the first nights service over 300 young people camp to the alter to accept Jesus as their savior for the first time or to rededicate their lives to Christ. There were over 80 young people who were filled with the Holy Spirit and received the gift of speaking in tongues, and we also saw over 100 young people who answered a call of God to serve in the ministry as pastors, missionaries, evangelists, and teachers.

There were many young people again this year who were healed and delivered by the power of God and the worship the second night after the ministry time continued till after midnight! Now 6 weeks after this camp we are till receiving testimonies

of what God did in the lives of these youth and young adults!

There is real momentum here in Crossfire El Salvador after this years camp with many of these young adults going into the streets to evangelize before their cell groups and leading new youth in the streets to Jesus and inviting them into their churches and their Crossfire cell groups!

We are now preparing for our next major event of the year here in El Salvador the Crossfire El Salvador beach outreach next Saturday, June 15th. This event is an evangelistic outreach where we plan to bring together close to 500 young people from all across El Salvador for a day of soccer and volleyball tournaments in the morning and live worship and preaching the gospel in the afternoon. Please pray with us that many more young people come to know Jesus next week during this outreach!

Our team of Crossfire leaders in Peru also plan to lead their "Nacido para Conquistar" camp sometime in July in either Callao or Miraflores.

Later on this year we will be leading four open air evangelistic crusades here across El Salvador in Cojutepeque, Zacatecaluca, Comalapa, and Monte Cinco. We will also be working close with leaders in Honduras, Nicaragua, Costa Rica, and Peru to plan and lead Crossfire evangelistic crusades in those countries as

well. We plan to train teams of young people in evangelism and go into the streets and neighborhoods before the crusades to share Christ with people and lead them to Jesus.

Praise God so far this year we have seen hundreds of young people come to know Jesus as their savior through these camps that have already taken place around the world. Please pray with us for favor, safety protection, and for many more people to come to know Jesus and have a life changing encounter with God
