## Crossfire El Salvador "Born to Conquer!" Crusades 2019

We have recently finished the last of the Crossfire El Salvador evangelistic crusades for this year and we wanted to start this newsletter with some testimonies of what the Lord did through this years crusades. This year in El Salvador we led open air evangelistic crusades in three strategic areas over the last few months.

We would begin the crusades by gathering the pastors and youth and young adult Crossfire leaders 3 hours before the crusades began for evangelism training and prayer. We then went out with several teams of pastors and young adult leaders in different directions to evangelize and share Jesus with as many people as we possibly

could. After the evangelism we continued with the crusades themselves where Crossfire young adults led dramas and dances and a national level worship team led the worship. We then

preached a strong evangelistic message and ended with salvation alter calls and powerful times of ministry.

The last crusade took place in Monte Cinco an area in Soya Pango. Monte Cinco is completely controlled by M.S. 13 and is one of the most dangerous gang controlled parts of El Salvador. When we arrived at the entrance of Monte Cinco armed M.S. 13 gang members surrounded our truck to interrogate us before letting us in. Once we were in we led the evangelism training and then divided up into teams and went out to evangelize. The Lord put it in my heart to lead my team directly to the M.S. 13 gang members at the entrance of Monte Cinco. There were 8 M.S. 13 gang members at the entrance and we began to share Jesus

with them . The Holy Spirit began to work in their hearts and they all prayed the sinners prayer and accepted Christ. Then we went on and continued to evangelize and led a total of 22 M.S. 13 gang members to Jesus. Several of the M.S. 13 gang members then stopped us at the end and told me that Psycho wanted to talk to me. Psycho is apparently way up in the M.S. 13 leadership and I was told Psycho is known throughout El Salvador as one of the most ruthless gangsters there is. Psycho then approached me covered in tattoos and i could feel the demonic

presence that was in him. Psycho asked me a lot of questions about what we were doing and why we are in El Salvador and I was able to share the gospel with him. When I offered to pray with him and invited him to the crusade he said he was terrified of church and he just quickly ran off. We then went on and led the crusade in Monte Cinco where many more people accepted Jesus and we saw an extremely powerful move of the Holy Spirit.

Praise God hundreds of people this year accepted Jesus as their savior through these crusades during the evangelism and in the alter calls. We continue to receive testimonies of what God did in these areas and of how many of these youth and young adults who accepted Christ are now active in the Crossfire cell groups and in these churches.

**Crossfire International  
"Victorious!" camps, crusades and  
Mission trips 2020!**

We are now working hard preparing for all of the Crossfire International camps, crusades, and mission trips that will take place around the world next year in 2020. Our theme for all of the Crossfire Camps, Crusades, Cell groups and mission trips for 2020 will be "Victorious!" God has called us as Christians to live victorious lives and we will focus this year on helping this generation find victory through Christ over sin, addictions, fears, wrong relationships, influences, failure and everything else that the devil will use to try to keep them from knowing Jesus, from becoming all that God has made them to be, and from accomplishing Gods will for each of them here in this world. Or theme verse this year will come from **1 Cor 15:57**.

This next year we plan to direct the Crossfire El Salvador "Victoria" camp here in El Salvador during Easter week on the

dates of April 26–28th. We are planning on bringing together around 500 youth and young adults from across El Salvador as well as we again plan to bring Crossfire young adult leaders to El Salvador from several other nations around the world.

We are also working close with our national directors around the world and are now planning Crossfire camps in Mindanao, Philippines in March, multiple Crossfire Camps this year in Thailand in April and June, Crossfire camps in Kenya, Uganda and Tanzania Africa in May, Crossfire Camps in Cambodia, Laos and Myanmar (Burma) in May or June, as well as a Crossfire camp in Peru in June or July.

We also plan to again lead Crossfire mission trips in various parts of the world. This next year we are looking at

leading mission trips from Thailand to Cambodia, Laos, and Myanmar (Burma) from Kenya to Uganda, and Tanzania, Africa, from Mindanao Island to Bohol, Camiguin, and Visayas Islands in the Philippines, from El Salvador to Honduras and Nicaragua and we are looking at the possibility of a trip to Israel and the Middle East late 2020 or early 2021.

Throughout the year we will be leading evangelism in the streets, as well as before cell groups and crusades and later in the year we will be planning Crossfire evangelistic crusades across El Salvador and in several other countries.

Please pray with us that this next year of 2020 we will again see a great harvest of souls come to know Jesus through the weekly Crossfire cell groups, the camps, the evangelistic crusades, the evangelism on the streets and in gang controlled areas, and during the mission trips that will be led in various nations all around the world.
