“Changing this Generation, one Nation at a Time”

Crossfire Nicaragua Crusade in Leon Nicaragua November 2019

Crossfire El Salvador, Central, and South America update!!!

As many of you know for the last 6 years we have based out of El Salvador directing the global ministry of Crossfire International from here. Our time here in El Salvador has been very rich, intense, and successful. We have grown closer as a family through this experience and we have watched God do incredible things through the ministry of Crossfire International here and around the world during this time.

Here in El Salvador we have evangelized and shared Jesus on the streets, and in large open air crusades in every part of this country.

We have trained pastors and leaders and started weekly Crossfire cell groups in homes, churches, and

schools all across El Salvador. The Crossfire camps and evangelistic crusades we have led have resulted in thousands of youth coming to know Jesus as their savior. We have also brought Crossfire young adult leaders to El Salvador from Thailand, Russia, Pakistan, the U.S. and from countries all across Latin America.

We have repeatedly entered some the most dangerous M.S. 13 gang controlled areas in the world and have led thousands of young people to Jesus including many M.S. 13 gang members and gang leaders. We have also led many mission teams from El Salvador across Central and

South America. In addition to El Salvador Crossfire is now active in Central and South American churches in Honduras, Nicaragua, Costa Rica, Panama, Peru, and Chile. Now we are at an incredible place of momentum and are seeing great things happen. Although we would love to stay here forever the Lord spoke to Gina and I about a year ago and said you have reached the goals, the ministry is strong and growing, now train the leaders in El Salvador

because I am calling you now to continue to do the same in other parts of the world. We are now in our final stages of training and equipping the leaders here in El Salvador as well as in Honduras, Nicaragua, Costa Rica, Panama, Peru, and Chile.

We will be finishing our final work here in El Salvador and plan to return to the U.S. late summer of 2020 to speak in partnering churches in the fall and to begin to prepare for the Crossfire International mission to Israel late 2020 or early 2021 as soon as things settle down with the coronavirus situation worldwide.

Although we are really going to miss El Salvador we are very exited about the new doors God is opening around the world. We are extremely satisfied with the results of this season and are exited about the adventures that are yet to come!

**Crossfire International
Mission trip to Israel Fall 2020**

About a year ago the Lord began to put Israel and the Middle East on our hearts. We began to pray to hear what the Lord would have us do to increase our presence in assisting the congregations in Israel in reaching this generation for Jesus. We feel the Lord is directing us now to return to Israel this fall or early next spring to visit and encourage the Crossfire leaders in Beersheva, start new cell groups, train new leaders and implement Crossfire in new churches. We also plan to lead a Crossfire evangelistic youth conference and preach in Spanish speaking Messianic Jewish congregations.

We will also look for ways to expand into the restricted Muslim nations around Israel. We are praying for divine connections that we can work with in assisting underground churches in new Muslim nations in reaching this generation as well.

Israel has a population of over 8.5 million people. 75% of Israeli citizen's are of the Jewish faith, 18% are Muslim and only 2% are Christians.

**Crossfire Cambodia "Born to Conquer" camp
September 2019**

That is roughly 177,000 people in the entire nation of Israel who consider themselves Christian and of those

80% are Arab citizens of Israel. This means that only about 35,000 of the Jews in Israel are Christians. Many of them have formed Messianic Jewish congregations which hold to many of the Jewish traditions but recognize Jesus as the Messiah. Although there is a lot of hard ground in the Middle East we believe there are incredible opportunities to win young people to Jesus. Please pray with us that the \$10,000 needed will come in for this trip, pray for anointing, protection, and for a powerful move of God.

**Crossfire International "Victorious!"
camps and crusades 2020**

This year due to the Coronavirus many of the nations we are working in are facing various different lockdowns and restrictions. We are working close with our National Directors looking at rescheduling the Crossfire camps when each country is able to do large events again. Right now we already have several of the camps and crusades rescheduled into the months of July, August, and September. We believe that this moment of global pandemic is an incredible evangelism opportunity as many people are scared and looking for answers. Please pray with us that we will see many more youth and young adults come to know Jesus as their savior this year through these Crossfire camps, crusades, mission trips and cell groups around the world!

Victorious!!!
