“Changing this Generation, one Nation at a Time”

Update on Pastor Joe’s PhD and book for Crossfire International

Many of you may know that for the last couple years along side of directing the ministry of Crossfire International I have been working on getting my PhD in ministry. For years I have had the desire to get a PhD but never felt that the timing was right until now. In 2019 in El Salvador the Lord really impressed upon my heart that it was now time for this and that I needed to start it as soon as possible.

I prayed about several different schools and the Lord led me to VCBCS which is a seminary based out of Florida. This school has a special PhD program curtailed to missionaries serving abroad. The work is the same but there are no deadlines. Along side of leading the ministry of Crossfire International around the world I was able to do these classes when time permitted. This past week I completed the doctoral dissertation and turn it into the school. Next month upon

hearing from the doctoral board I will receive my PhD in ministry.

The dissertation will become my book. The same day that I turned it in to the school I also gave it to the publishing company and they have begun the editing process. We plan to publish the book by November of this year of 2021.

The book is entitled “Effectively Building the Church Globally”. In the first part of the book I share incredible testimonies from our travels to 73 countries in 6 continents and from our time living

abroad directing the global ministry of Crossfire International.

Some of the many testimonies include our experiences leading M.S. 13 gang members to Jesus in the most dangerous parts of Central America, witch doctors to Jesus in Africa, and times when we entered closed and restricted communist and Muslim nations to evangelize and expand the ministry of Crossfire International.

In the second half of the book I will share the Crossfire methodology and structure that the Lord has given us, and that we have implemented in thousands of churches all over the world.

Once this book is released I will send out an email with information on how everyone can personally get a copy. These books will also be available when we visit the partnering churches in the United States to speak and share testimonies starting in December of 2021. All proceeds will go to support the ministry of Crossfire International around the world.

**Crossfire International
Camps and crusades - 2021**

We are now in the middle of the Crossfire International “Victorious” 2021 camp and crusade season. Although there have been some improvements, many countries around the world are still under some level of restrictions due to the coronavirus. It seems as soon as one part of the world opens up another part of the world goes into yet another lockdown.

Many of the Central and South American countries at this moment are allowing public gatherings so we are planning Crossfire camps and crusades across these countries. Crossfire in the East African countries are planning camps and crusades with alternative dates in mind incase of last minute lockdowns. Right now foreigners are still unable to enter Israel and some of the other Middle Eastern nations

**Crossfire Laos “Victorious” camp
May of 2021**

A few months ago Crossfire in Thailand, Laos, Burma, and Cambodia had no restrictions and were able to pretty much do everything unrestricted. Now all of those countries are under lockdown.

Right before this latest lockdown we were able to lead the first ever Crossfire Laos camp in May. This was an incredible opportunity. For years we have had regular annual camps and crusades across Thailand, Cambodia, Laos, and a couple years ago we were able to start them in Burma.

Because Laos is a closed communist country any type of public Christian gatherings are forbidden. Each year we would bring youth out of Laos into Thailand to participate in a Crossfire camp just over the border. Finally this year we were able to lead the first ever underground Crossfire Laos camp inside of Laos itself. There was about 350 youth and young adults at this camp with many salvations! Please pray that many more people will come to know Jesus through the upcoming Crossfire camps and crusades around the world.
