**Crossfire International Camps and Crusades - 2021**

2021 has been an extremely busy year for Crossfire International! In spite of the pandemic, the Kingdom of God is advancing, and we continue to see thousands of people come to know Jesus as their Savior through the Crossfire cell groups, camps, crusades, evangelism, and mission trips that are taking place in countries all over the world.

**Crossfire Nicaragua Crusade May 2021**

This past summer of 2021 we led the first ever underground Crossfire camp in Laos. Laos is a communist country that is closed to the gospel. If pastors or missionaries are caught in Laos doing any type of

mission work, they are often put in prison. Because of how hard it is to do any Christian events in Laos, for years teams of youth and young adults have come from Laos to Thailand, so they can participate in one of the Crossfire Thailand camps. This past summer of 2021, we were finally able to have the very first

Crossfire camp inside of Laos. This was a three-day camp that took place at a secret location. There were hundreds of youth and young adults from different parts of Laos that were able to participate in this underground camp. Not only did God protect all of the pastors, leaders, youth, and young adults at this camp from being caught, but over 300 youth and young adults, many of whom had never heard the Gospel before, accepted Jesus during this camp.

In September we also led the annual Crossfire camps and crusades in different parts of Kenya, Uganda, and Tanzania. Then in October we led multiple regional

camps across Thailand, as well as in Cambodia, and Burma. In November and December we were able to lead

several more Crossfire camps and crusades across El Salvador, Nicaragua, Peru, and in the Philippines.

We also implemented Crossfire in the entire IDPAN network of churches across all parts of Nicaragua, led multiple regional Crossfire Nicaragua crusades, and we are now planning for the first ever Crossfire Nicaragua camps that will begin in April of 2022.

Praise God we saw thousands more come to know Jesus this year through these events!

**Pastor Joes book “Effectively Building the Church Globally”**

Recently I finished writing my new book “Effectively Building the Church Globally”. In this book I share many powerful testimonies from our travels to 73 countries in 6 continents and from our years living abroad directing the global ministry of Crossfire International.

I also share testimonies of us personally leading MS-13 gang members to Jesus in the most dangerous parts of Central America, witch doctors to Jesus in Africa, and entering closed and restricted communist and Muslim nations to evangelize and expand the ministry.

**Pastor Joe, Gina, Ashley, Sara, Elizabeth, and Jacob in the Crossfire office Nov 2021 when the books arrived**

This book serves as a powerful testimony of not only what the Lord has done through the ministry of Crossfire International, but also of what the Lord has done in my life personally.

In this book I also share the methodology and the structure of Crossfire International that is extremely

effective in diverse cultures in countries all over the world.

The Crossfire International testimonies and methodology presented in this book will challenge you to face your fears, encourage you to boldly step out in evangelism, inspire you to fulfill the purpose that God has for you here in this world, and help equip you in what God is calling you to do to be a part of “Effectively Building the Church Globally.”
