world-wide youth & young adult ministries

Crossfire International updates and testimonies from around the world!

Each year we choose a different theme for all of the Crossfire International cell groups, camps, crusades, and mission trips taking place in churches around the world. This years theme is "Reach the World" and praise God we are already seeing the Holy Spirit move powerfully with many people coming to know Jesus as their Savior through these events that are taking place worldwide.

Crossfire Laos "Phu me chai" camp Summer 2021

In some parts of the world we are now seeing the Coronavirus restrictions lift and we are beginning to be able to return to a more normal schedule of camps, crusades, and mission trips. Most of the restrictions

have now lifted in countries across Central and South America and on the next page I will share more on how the Lord has been moving specifically in Latin America through Crossfire International so far in 2022.

Crossfire Cambodia "Koet ma Phuea Pitchit" camp and leadership training

Asia is one part of the world that is still seeing very high numbers of Coronavirus cases and many countries in Asia are still under restrictions and quarantines. However we have scheduled various Crossfire "Reach the world" camps, crusades, and mission trips this summer and in the fall across Thailand, Cambodia, Laos, Burma, and in the Philippines as many of our leaders in Asia expect the restrictions to lift by the summer.

In Kenya, Uganda, and Tanzania we are also planning on leading the annual camps and crusades this summer and into the early fall. We also continue to see God move powerfully through the weekly Crossfire cell groups taking place in Russia,

Kazakhstan, Pakistan, Israel, and India.

We have also been sending out my book "Effectively building the Church Globally" to Crossfire National Directors, pastors, and leaders in many countries all over the world. This book will serve as an awesome tool to help disciple, train, and encourage leaders around the world.

Please continue to pray that many more youth and young adults come to know Jesus as their Savior and be trained for the ministry through Crossfire International! #Reachtheworld

Crossfire updates and testimonies from Central and South America!

In most of the countries we work in across Central and South America many of the coronavirus restrictions have now lifted and we are returning to our normal schedule of camps, crusades, evangelism, leadership training, and mission trips.

In El Salvador we continue to see incredible momentum, and many youth and young adults continue to

accept Jesus through the Crossfire cell groups, camps, crusades, and mission trips taking place across the country. Recently the Crossfire El Salvador leaders led two mission trips from El Salvador to Guatemala and Honduras where they trained new leaders, implemented Crossfire in new churches, ministered in the churches and led evangelism on the streets.

Crossfire El Salvador "Reach the world" crusades In Cojutepeque and Santa Ana March 2022

In December we led the annual Crossfire El Salvador camp and just this last month of March we led the

first two evangelistic crusades of the year, the first in the center of the country in Cojutepeque and the second in the west in Santiago, La Frontera in the state of Santa Ana. We plan to lead two more regional crusades in El Salvador over the next couple months. Very soon we will also officially be launching "Crossfire Music" in El Salvador. "Crossfire Music" is an official

Crossfire worship team made up of young adults across El Salvador who will be recording albums and playing at many of the Crossfire camps, crusades, and other events as well as at other Christian events across the country.

We also continue to see God move in powerful ways through the Crossfire cell groups, camps, crusades, evangelism, and mission trips in churches across Honduras, Nicaragua, Costa Rica, Panama, Peru, and Chile. This month we have a team of Crossfire leaders from Nicaragua traveling to Costa Rica to train new leaders and expand Crossfire into new churches and this summer we plan to lead the first ever annual Crossfire camp in Nicaragua.

Praise God we continue to see powerful moves of the Holy Spirit resulting in many people coming to know Jesus as their Savior through Crossfire International across Central and South America!
