world-wide youth & young adult ministries

## Crossfire International Israel, Turkey, and Cyprus mission Mar-July 2023

As many of you know Crossfire International is active in countries all over the world, and my family and I are missionaries to the entire world. We spend extended periods of time in many different regions of the world expanding the global ministry of Crossfire International.

We follow the model of the Apostle Paul, going into different regions around the world to establish the ministry, and when the ministry is strong, growing, and there is incred-

ible momentum, we train and equip the leaders in each country, and then we go on into new countries and do it again.

This a reoccurring pattern the Lord has led me to repeat during my 26 years of global ministry and international travel. Over these years God has led me to 73 countries and 6 continents and for many years my family and I have lived abroad directing the ministry of Crossfire International.

We are very excited to announce that our next major mission will be the five-month Crossfire International Mission to Israel, Turkey, and Cyprus that will take place next March, April, May, June, and July of 2023. We plan to live in Israel during this time and from Israel we will travel to both Turkey and to the island of Cyprus in the Mediterranean.

Cyprus and Turkey both also have major Biblical significance. Cyprus was the first location where the Apostle Paul went on his first missionary journey in Acts 13 with the help of Barnabas and John. Paul

visited Turkey on all three of his missionary journeys. Turkey is also where the 7 churches of Revelations chapters 1-3 are located. The books

of Ephesians and Galatians were both written to churches in Turkey as well.

While we are in Israel, Turkey, and Cyprus, we plan to train pastors and new Crossfire leaders, implement Crossfire in new churches, lead several indoor Crossfire evangelistic crusades, as well as preach and minister both in English and in Spanish in many churches across Israel, Turkey, and in Cyprus. Please pray for a powerful anointing, protection, provision, and for many people to come to know Jesus during the upcoming Crossfire International mission to Israel, Turkey and Cyprus.

## Crossfire International Reach the World camps and crusades 2022!

We are now right in the middle of the Crossfire “Reach the World” camps and crusades season that is taking place in countries all over the world!

This past May, we led the annual Crossfire Cambodia camp in Sisophon Province, Cambodia and saw over 300 youth and young adults attend this camp with many of them accepting Jesus as their Savior.

We are also now preparing for the Crossfire El Salvador “Alcanzar el Mundo” camp that will take place this year in December in Oloquiltá. This month we also officially launched “Crossfire Music” El Salvador.

We are also currently planning for several other upcoming Crossfire “Alcanzar el Mundo” camps, crusades, and mission trips in several locations across Nicaragua, as well as in Costa Rica and Peru!

Please pray for many more youth and young adults to come to know Jesus as their Savior through all of the Crossfire International cell groups, camps, crusades, evangelism, and mission trips that are taking place in countries all over the world!
