Crossfire International 2024 camps, crusades, and implementations

Praise God we saw thousands of people come to know Jesus Christ as their Savior again last year through all of the Crossfire International cell groups, camps, crusades, evangelism, and mission trips that took place in countries all over the world!

Our theme this year is "Empowered". **Acts 1:8** tells us that the Holy Spirit will empower us to go into all parts of the world to evangelize and lead people to Jesus Christ! Everyone of us as Christians are called to win as many people to

Crossfire International 2024 mission trips and living abroad

As many of you may know, my family and I lived in Israel last year in 2023 for 6 months directing the global ministry of Crossfire International. From Israel we led mission trips to Cyprus, Turkey, and Bulgaria, and we often traveled into the West Bank.

Praise God even in an environment with terrorism, Hamas rockets falling around us, and extremely tight restrictions against missionaries and evangelism, we saw God move in awesome ways!

Crossfire training, implementations, and salvation alter calls in Cyprus and Bulgaria, 2023

We led many Jews and Muslims to Christ during the salvation alter calls and on the streets, pastors and leaders were trained and raised up, Crossfire was implemented in many new churches across all these countries, and God supernaturally opened many new doors in one of the most pivotal and difficult parts of the world! Praise God every goal and objective the Lord put in our hearts was reached and we feel that God may lead us to return to Israel at some point in the future to build on the work that has been started.

Due to my wife being pregnant with

our fifth baby, we returned to the U.S. right before this Israel-Hamas war started. We literally barely missed this war! Our fifth child, or son Joshua Nathaniel Dewhurst was born December 28th 2023 weighing 8 pounds and 8 ounces! We thank God for blessing us with this awesome addition to the Dewhurst family!

Pastor Joe leading Jewish youth and young adults through the sinners prayer in Israel June, 2023

We were originally planning to return to Israel again this year for another 6 months. However due to the unpredictability of this ongoing war and many of the churches in Israel unable to regularly meet or do special events we have decided to wait until the end of April to make a final decision on whether we will return to Israel this year, or whether we will travel to another region of the world this year and look to return to Israel in the future when things calm down.

All of the other Crossfire International mission trips in other parts of the world will go on as planned. In May we plan to announce what part of the world my family and I will travel to and base out of for about 5 months later this year.
