## Crossfire International 6 month mission to Africa Sept 2024-Mar 2025

I would like to begin this newsletter by sharing an update on the upcoming Crossfire International 6 month mission to South Africa, Lesotho, Eswatini, Mozambique, Botswana, Zimbabwe, Namibia, and Ethiopia. My family and I will be leaving the U.S. this September of 2024 to live in Johannesburg, South Africa until March of 2025.

During our first three months of our time living in South Africa we will be traveling to a different African nation each week. In every one of these 8 African nations we will train pastors and leaders and implement the Crossfire structure in their churches. We will also train the

pastors and leaders in evangelism and lead teams on the streets to evangelize and lead as many people to Jesus Christ as possible. We will then lead large open air Cross-

fire International evangelistic crusades in every one of these countries! We will also preach and minister in several of the local churches.

For the second three months we will be living in South Africa, we will travel extensively across South Africa training pastors and leaders, implementing Crossfire in new churches, leading evangelism and crusades, and visiting the new Crossfire South Africa cell groups.

I have been blessed to have traveled to 81 countries in 6 continents and Crossfire International is now active in over 1000 churches in 35 nations around the world. Crossfire has been active in churches across Kenya, Uganda, and Tanzania for many years and I have been to Central and North Africa many times. However this will be the first time we have ever traveled to these 8 African nations and all of these countries will be new to Crossfire International. There is major interest

among the pastors and leaders in these countries and there is potential for a massive response to these crusades.

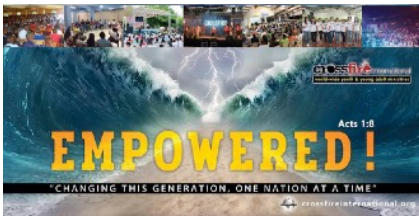

Please pray for protection, favor, provision, and for a powerful anointing to be on my family and I during this time. Most importantly please pray that many many people come to know Jesus Christ as their Savior through all of the Crossfire international crusades, evangelism, cell groups, and ministry that will take place In South Africa as well as in every one of these other 8 African nations during this time.

During our recent newsletters we shared many of the testimonies of what God did during the Crossfire International 6 month mission last year to Israel, Turkey, Cyprus, and Bulgaria. One of the unexpected testimonies during our time living in Israel was that God connected us with a pastor from Cuba who happened to be in Israel when we were there. Because I am fluent in Spanish and because we had all of the Crossfire materials in Spanish in Israel for the Spanish speaking messianic churches we were working with, we were able to train this Cuban pastor and

give her books and materials in Spanish. Once she returned to Cuba from Israel, she started Crossfire in churches in Matanzas, Cuba, and Praise God many Cuban youth and young adults are now receiving Christ through Crossfire Cuba!

Our theme this year is "Empowered" and right now we are in the middle of the 2024 Crossfire International "Empowered" camps, evangelistic crusades, leadership training/implementations and mission trips taking place in countries all over the world. This year we are again leading four regional Crossfire evangelistic crusades across El Salvador. This Aug

ust we will lead the annual Crossfire El Salvador camp and leadership training in Oloquilta with teams of pastors and leaders coming to El Salvador from all across Central America. We will also lead multiple

mission trips from El Salvador to Guatemala, Honduras, Costa Rica, and Panama. In addition, Crossfire evangelistic crusades will take place across Nicaragua, Honduras, and Peru, as well as Crossfire camps, leadership trainings, and implementations across Nicaragua, Peru, and in Cuba!

This month the Crossfire Philippines camp and leadership training will take place in Mindanao Island and teams will come to Mindanao from Camiguin, Bohol, and Visayas Islands to participate. Multiple Crossfire camps, crusades, pastors and leaders trainings/implementations will continue to take place all across Thailand this year and Crossfire mission teams will continue to travel from Thailand to Cambodia, Laos, and Myanmar to lead camps, evangelism, and implementations in new churches.
