world-wide youth & young adult ministries

### Crossfire International 5-6 Month 10 country Asia Pacific mission!

After a few months of prayer, fasting, research, and waiting on the Lord we have made a decision on where we will be going for the next 5-6 month Crossfire International mission. The Lord is now opening new doors for us in many new countries across the Asia-Pacific region of the world.

During the next Crossfire International mission we will be traveling to the 10 nations of Singapore, Malaysia, Indonesia, Papua New Guinea, Solomon Islands, Vanuatu, Tonga, Samoa, Fiji, and the Cook Islands! In every one of these countries we plan to preach in and lead Crossfire International evangelistic crusades, train pastors and leaders,

lead evangelism seminars, evangelism on the streets, implement the Crossfire International structure in the churches, as well as preach and

minister in several of the local churches.

highly illegal and several of these islands are extremely remote. Papua New Guinea is home to many primitive, unreached tribes that are completely cut off from the rest of the world. Cook Islands is a remote island nation with only about 13,000 people thousands of miles from Australia. We are very excited about this incredible opportunity God is opening right now and we really appreciate your prayers and support as we continue to follow the leading of the Holy Spirit.

Due to the risk of entering multiple restricted Muslim nations to evangelize and expand the ministry, we are unable to share the specific

dates of when we will be in these countries or the exact locations where we will be.

Please pray with us that thousands more will come to know Jesus as their Savior in all ten of these countries through the Crossfire International crusades, evangelism, salvation altar calls, and extended times of ministry in the churches that will take place during this time. Pray that the Lord will powerfully anoint us, protect us, and lead us as we travel across these ten Asia Pacific nations!

**Crossfire International updates and testimonies from around the world**

As many of you know earlier this year my family and I returned to the U.S. from living in South Africa for five months. From South Africa we traveled to Lesotho, Eswatini, Mozambique, Botswana, Namibia, Zimbabwe and Ethiopia. I shared many testimonies from what God did during our time in these 8 African nations in our recent newsletters and updates. Today I want to share some testimonies from just a few of these countries since we left Africa.

In South Africa we continue to see Crossfire develop and grow in the churches we worked with in Johannesburg, Capetown, and Pretoria when we were there. Crossfire cell

groups are meeting in the churches each week and the leaders are also evangelizing on the streets and planning upcoming crusades.

In Lesotho Crossfire is now expanding into about 30 new Assembly of God churches in Maseru, and each week the cell groups are meeting, leaders are being trained and raised up and teams are going on the streets to evangelize and win more people to Christ. In Namibia Crossfire cell groups have expanded into new churches as well as into schools and even into prisons. Pastora Justina, our leader in Swakop-

mund, Namibia recently shared with me and my wife Gina that they are now weekly seeing many young adults in the prisons pray the sinners prayer and accept Jesus in the Crossfire Namibia cell groups.

**Crossfire El Salvador "Invincible" camp and leadership training Aug 2025!**

In El Salvador we recently finished the second of four annual regional evangelistic crusades, and just last week we led the annual Crossfire El Salvador camp and leadership training in Olocuilta. Hundreds of pastors, youth and young adults came together in El Salvador from across El Salvador, Guatemala and Honduras for this event. Praise God we have seen thousands come to know Jesus through Crossfire El Salvador and hundreds trained to be leaders!

Crossfire mission trips are regularly taking place from El Salvador to Honduras and Guatemala and many other Crossfire crusades, cell groups, evangelism, and implementations are also taking place across Guatemala, Honduras, Nicaragua, Costa Rica, Peru, Chile, and Cuba!

In our next newsletter we will share some more exciting testimonies of what God is doing through Crossfire International in other parts of the world. Please pray with us that many more people will come to know Jesus through all of the Crossfire International cell groups, camps, crusades, evangelism, implementations, and mission trips that will continue to take place all over the world this year!
