## “Reaching the World one Nation at a Time”

### Crossfire International 5-6 Month 10 country Asia Pacific mission update!

Merry Christmas and Happy New Year! We are now finishing our last minute preparations for the fast approaching Crossfire International five month Asia Pacific 10 nation mission! We will be leaving Tuesday January 13th to travel first to Singapore, and then from Singapore we will continue on to Maylasia, Indonesia, Papua New Guinea, Solomon Islands, Vanuatu, Tonga, Samoa, Fiji, and the Cook Islands.

During this time, we plan to lead both indoor and outdoor Crossfire International evangelistic crusades, train pastors and leaders, lead evangelism seminars, evangelism on the streets, implement the Cross-

fire International structure in the churches, as well as preach and minister in several of the local churches.

Indonesia and Maylasia are Muslim nations where Christians are persecuted and evangelism is highly illegal, and several of these islands are extremely remote. Papua New Guinea is home to many primitive, unreached tribes that are cut off from the rest of the world. Many of these tribes will be traveling long distances from remote jungles deep inside of Papua New Guinea to Barakau Villiage where we will be leading the meetings.

Cook Islands is a remote island nation with only about 13,000 people, thousands of miles off the coast of Australia. There is potential for record crowds in some of these countries including in Indonesia

where we will need to meet in secret locations due to the risks.

The next update we will send will be from Singapore in January once we are on the ground and starting into this mission. Please pray for a powerful anointing to be upon all of the pastors and leaders trainings, evangelism seminars, implementations, evangelistic crusades and services in the churches, and pray that thousands more come to know Jesus as their Savior during this time!

Reach the World!

Crossfire El Salvador “Invincible” camp and leadership training August of 2025!

**Crossfire International updates and testimonies from around the world**

We have just finished all of Crossfire International “Invincible” evangelistic crusades, camps, evangelism trainings, and mission trips for this year in countries all over the world. Praise God 2025 has been another powerful year for Crossfire International and we thank God for another year of His faithfulness, favor, provision, and success.

Thousands more came to know Jesus Christ as their Savior this year through Crossfire International all over the world from South Africa, to Cuba, to Israel, to Thailand as well as in so many more countries in between. We were also able to train hundreds of pastors and leaders, lead evangelism seminars and

evangelism on the streets, and have implemented Crossfire International in hundreds of new churches around the world. This year we also added a new section on effectively evangelizing Muslims to the Crossfire International evangelism training seminars that we lead all over the world.

One of the main objectives of Crossfire International has always been to effectively train and equip young pastors and leaders for ministry and we are excited to announce that we are officially adding ordination to our leadership training approach.

Young pastors and leaders who have served faithfully in Crossfire International in their churches for at least two years, who have gone through the evangelism and leadership training seminars, and who have solid pastoral references will now be qualified for ordination through Crossfire International.

We will begin to recognize newly ordained pastors and leaders during the ongoing Crossfire International crusades, camps, evangelism and leadership training seminars that are already taking place in countries all over the world. These young pastors and leaders will receive their certificates of ordination during these special Crossfire International ordination ceremonies.

The purpose of the church is to evangelize the world, God is calling all of us to win as many people to Jesus Christ as possible! Evangelism is our purpose. We believe God is calling us to continue to train and equip this generation of pastors and young leaders to become effective, uncompromising, theologically sound, evangelism focused leaders who are trained, equipped, and ready to reach the world!
