Crossfire International 5 Month 10 nation Asia Pacific/Oceana mission Pt 1

Malo e lei lei! Okuo sea he puaka tunu! Greetings from Oceana! My family and I have just arrived to Rarotanga Island in the South Pacific nation of the Cook Islands in the southern hemisphere. We are currently leading the 2026 Crossfire International 10 nation Asia Pacific/Oceana mission and we are excited to share just some of the updates and testimonies of what God has already done in the first five nations.

During the first half of this mission my family and I drove across Singapore and Maylasia and then flew from Singapore to Indonesia, from Indonesia to Papua New

Guinea, and from Papua New Guinea to the Solomon Islands.

Praise God we have already seen thousands come to know Jesus as their Savior this year so far through all of the Crossfire International evangelistic crusades, evangelism on the streets, salvation alter calls, and ministry in the churches. This includes Muslims that have accepted

Jesus in the closed Muslim nations of Indonesia and Maylasia.

Indonesia is the largest Muslim nation in the world, and in spite of the persecution and restrictions, we saw God open major doors for us and for Crossfire International. There were over 1,000 people over 2 days who participated in the underground evangelistic crusade that was held in a secret location in Indonesia.

We have also trained pastors and leaders, led evangelism seminars, and implemented the Crossfire International structure in churches in all of these countries, from the massive Muslim city of Jakarta, Indonesia to the small primitive remote village of Barakau in southern Papua New Guinea and to all the other countries in-between.

In our next newsletter I plan to share testimonies from the final five nations once we have finished this mission. We really appreciate your ongoing prayers for us and the global ministry of Crossfire International!

Crossfire International regional updates and testimonies - Latin America

For the next several newsletters we are going to highlight different continents and regions of the world where Crossfire International is active. The first region that I would like to start with is Latin America which includes Central, and South America as well as parts of the Caribbean.

As many of you may know, my family and I lived in El Salvador for 7 years from 2013 to 2020 directing the global ministry of Crossfire International. During that time we also had a special focus on expanding Crossfire International into other countries across Central and South America.

One of the Crossfire El Salvador crusades in Soyapango, January of 2026

Pastor Gabino Osmin Garcia Bautista (The Crossfire El Salvador National Director), and the Crossfire El Salvador leadership team have done an incredible job since we left El Salvador. We personally discipled and helped prepare them for ministry when we were living in El Salvador and since we left, they have expanded Crossfire into new churches and new regions beyond where we were when we lived in El Salvador.

Each year Crossfire El Salvador leads 4 regional evangelistic crusades, the annual Crossfire El Salvador camp and leadership training in Oloquilta that brings pastors and leaders from several countries to El Salvador, as well as they lead multiple mission trips throughout the year from El Salvador to Honduras, Gua-

temala, Nicaragua, Costa Rica. as well as to South America. "Cruz de Fuego El Salvador Musica" which is the Crossfire El Salvador worship team has begun to write their own music, is now recording albums, and regularly leads worship for the Crossfire International events across several countries and has led worship on televised events as well.

Crossfire Nicaragua "Invincible" evangelistic crusade and salvation altar call in Leon, Nov 2025

Crossfire International weekly cell groups, crusades, annual camps, evangelism, mission trips and implementations in new churches also continue to take place in Nicaragua, Honduras, Guatemala, Costa Rica, Panama, Peru, and in Cuba!

Crossfire in both Nicaragua and in Cuba have remained strong and are growing in spite of the persecution churches and ministries face in both countries. Cuba is currently facing some of the most difficult times it has ever faced since Fidel Castro and Che Guevara overthrew the Bautista regime in 1959. In spite of this Crossfire in Cuba continues to reach more youth and young adults with the Gospel. Recently Crossfire International has also ordained pastors and leaders who have been trained and have served faithfully in the ministry in El Salvador, Honduras, Nicaragua, Peru, and Cuba!
